Yes I am a UK taxpayer and would like icandance to reclaim tax on the donations I have made in the last four years and any future gifts I make.

Can I Gift Aid my donation? If you pay UK income tax (this includes tax on your savings or pension) or Capital Gains Tax, and this is more than the amount icandance and any other charity/community Amateur Sports Club will claim in the tax year (6th April-5th April) then you can Gift Aid your donations (Council Tax and VAT are not included)

What do I need to do? Tick the yes box above and icandance will claim the money from the government. We also need you to keep us updated if you move house, change your name or are no longer paying enough tax to cover your donations. You can cancel your donation at anytime.

You need to pay the same amount or more of UK Income Tax and/or Capital Gains Tax because all charities and CASCs will claim on your gifts in the current tax year and you are responsible for any tax shortfall.

Please complete the form and return it to: icandance, Greenman Community Centre, London N2 9BA
